

Aster Group is the overarching brand name of Aster Group Ltd and all of its subsidiaries.

1 Scope

- 1.1 We're committed to reducing our negative environmental impacts and preventing pollution.
- 1.2 This policy applies across all our group activities, including the provision of housing, property and estates maintenance and management, development, independent living, care and administrative services.

2 Policy Statement

- 2.1 To achieve our policy commitments, we will maintain an environmental management system, which we will look to continually improve in order to enhance our environmental performance.
- 2.2 We will comply with environmental and sustainability-related legislation and will fulfil other relevant compliance obligations.
- 2.3 We will continue to set relevant environmental objectives, informed by national sustainability policy and guidance.
- 2.4 We will communicate this Policy to our employees and empower them to act.
- 2.5 We will encourage and support positive environmental practices and performance from our suppliers and contractors.
- 2.6 We will engage with our customers, regulators and other interested stakeholders to promote environmental sustainability.
- 2.7 Across our businesses, we will protect the environment by:
 - using energy, fuel and water efficiently, and reducing consumption
 - wherever possible, sourcing materials, goods and services that are sustainable and local
 - eliminating, reducing, reusing, recovering or recycling waste
 - preventing pollution
 - limiting impacts to land and wildlife, and promoting biodiversity
 - through the work of the Aster Foundation and our work on corporate social responsibility, keeping our impact on the environment to a minimum and making decisions today that make sense for the future; and,
 - controlling nuisances to our neighbours, such as noise and dust.

3 Monitoring and Review

- 3.1 Progress to achieve our policy statements will be reported in our annual ESG report.
- 3.2 This policy will be communicated to colleagues and will be made available to any third party that requests a copy.
- 3.3 The effectiveness of this policy will be continuously monitored, and the embedding of the policy scrutinised after 12 months by the *Group Investment & Assets Panel*.
- 3.4 This policy will be reviewed every 3 years unless business need, regulation or legislation prompts an early review.
